Out in Corporate America

High performance. Delivered.

What is it like being LGBT in Corporate America today? Is equality in the workplace a reality? Is there a “glass closet?” As a straight ally, how can I support the causes of the LGBT Community in Corporate America?

OUT IN CORPORATE AMERICA

Panelists will provide their own perspectives on these and other issues and attempt to address many of the key concerns facing today's LGBT and ally communities in Corporate America. Drinks and hors d'oeuvres will be served.
