

Woven Together for Community

Foundry's 2010 Stewardship Campaign

A breakdown of our congregation's giving pattern

This chart illustrates the 15 steps of weekly giving as pledged for 2009

*The number above the step is the number of last year 2009 pledges at that level.
For example, last year there were 19 pledges that equal between \$126 and \$150
per week.*

Will you **grow** one step **this year**?
