

A Five-Fingered Prayer

Jesus told us to love others. One way to show love for someone is to pray for them. During worship, listen for someone to read prayer concerns. You can also look in the bulletin or ask your pastor. Pick five people or causes. Use this five-fingered prayer to pray for them.

Trace around your hand in pencil in the space below. On each finger, write or draw something you want to pray about. Then put your hand over the traced hand and pray about what you wrote or drew.
