# PRE-READER

Pentecost 6

- Today is the 6<sup>th</sup> Sunday after Pentecost.
- The color for Pentecost is **green**.
- Color this tree green to make it look **alive!**

**But many people will listen, and God's Word will grow in them.**

Today's story is about God's Word growing in us like a plant grows in soil.

**In each pot draw the plant a little bigger to show how it grows.**
